

HIETexas PULSE COVID Quick Start Guide for End User

Table Of Contents for Quick Start Guide

Login	3	Search for Patient	6
Password and Text Verification	4	Search Results by Organization	7
Reset Password	5	Viewing Documents withing an Organization	8

Login Screen

1. Your Administrator must provision your account. You will receive an email titled “PULSE COVID” with a link to the login page. Select the link.
2. Select the “Forgot Password” button.
3. Enter your email address and text verification. Then, select “Next.”
4. You will receive a follow-up email with a unique hyperlink. Click the link to navigate to the “Reset Password” page.

The screenshot shows the PULSE COVID login interface. At the top, the logo reads "PULSE COVID" with a virus icon, and below it, "Patient Unified Lookup System for the COVID-19 Pandemic". The main content area is divided into three columns:

- Welcome:** A text block explaining that PULSE-COVID is a web portal for verified users to view electronic patient health and medication histories. It mentions that users can view clinical care documents like medications, allergies, diagnoses, lab results, and other relevant information.
- Login:** A form with two input fields: "EMAIL ADDRESS" and "PASSWORD". Below the password field is a "Forgot Password" link. A blue "SIGN IN" button is at the bottom of the form.
- Technical Support:** A text block that says "Please contact your PULSE administrator with support questions."

At the bottom center, there is a Twitter icon. In the bottom right corner, it says "Powered by A&I" with the logo and the tagline "BOLD SOLUTIONS FOR CONNECTED HEALTHCARE".

Password and Text Verification Screen

1. Enter your new password, and re-enter for verification. Then, select “Next”.
2. The following screen will prompt you to select four security questions. Once you have selected your four questions and answers, select “Next”.
3. This will direct you to the End User Terms of Use. Select “I Agree” to accept the terms and enter the system.

The screenshot displays the PULSE COVID login and account setup interface. At the top, the logo reads 'PULSE COVID Patient Unified Lookup System for the COVID-19 Pandemic'. Below the logo are three main sections: 'Welcome', 'Forgot Password', and 'Technical Support'. The 'Forgot Password' section is highlighted with a yellow border and contains the following fields and elements:

- EMAIL ADDRESS ***: A text input field.
- TEXT VERIFICATION ***: A field containing a CAPTCHA image with a red diagonal line and a refresh icon.
- Sign In**: A small link.
- NEXT**: A blue button at the bottom of the highlighted section.

The 'Welcome' section contains a paragraph of text describing the system's purpose. The 'Technical Support' section contains a line of text: 'Please contact your PULSE administrator with support questions.'

Resetting A Password

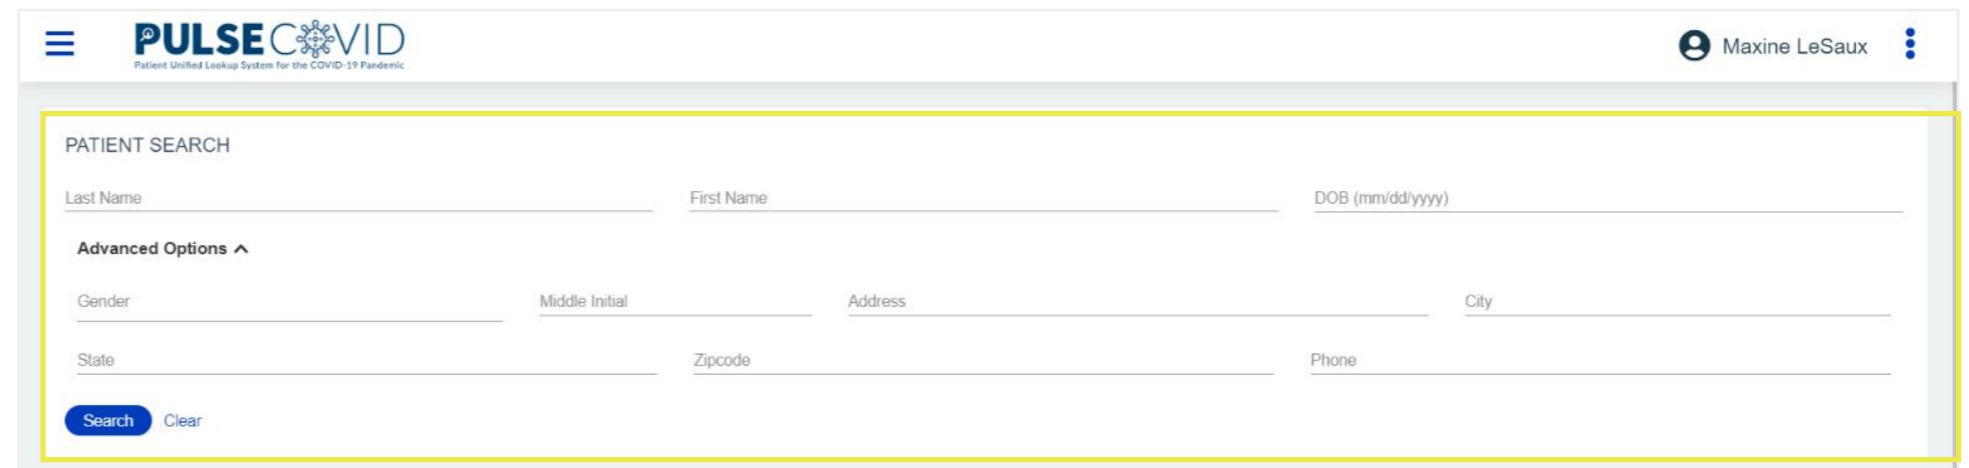

1. If you forget your password, select “Forgot Password” on the login page.
2. Enter your email address and text verification where prompted and click “Next”.
3. You will then be prompted to answer one of your security questions. When finished, select “Send Password Reset Link”.
4. You will receive an email with a hyperlink to reset your password. Once your password has been reset, you can login to PULSE COVID

The screenshot shows the PULSE COVID login interface. At the top, the logo reads "PULSE COVID" with a virus icon, and below it, "Patient Unified Lookup System for the COVID-19 Pandemic". The page is divided into three columns: "Welcome", "Login", and "Technical Support". The "Login" column contains fields for "EMAIL ADDRESS" and "PASSWORD", a "SIGN IN" button, and a "Forgot Password" link highlighted with a yellow box. The "Technical Support" column contains the text: "Please contact your PULSE administrator with support questions." At the bottom right, there is a Twitter icon and a logo for "Powered by Ai AUDACIOUS INQUIRY | BOLD SOLUTIONS FOR CONNECTED HEALTHCARE".

Search for a Patient

1. Enter, at minimum, the Last Name, First Name, DOB, and Gender of the patient.
2. To enter additional demographic information, click the “Advanced Options” drop-down. Then, select “Search”.
3. Search results may take up to one minute. You will see a blue bar that says “Working” while the search runs.

The screenshot shows the PULSE COVID Patient Search Portal. The header includes the PULSE COVID logo and the user name Maxine LeSaux. The main search area is titled "PATIENT SEARCH" and contains the following fields:

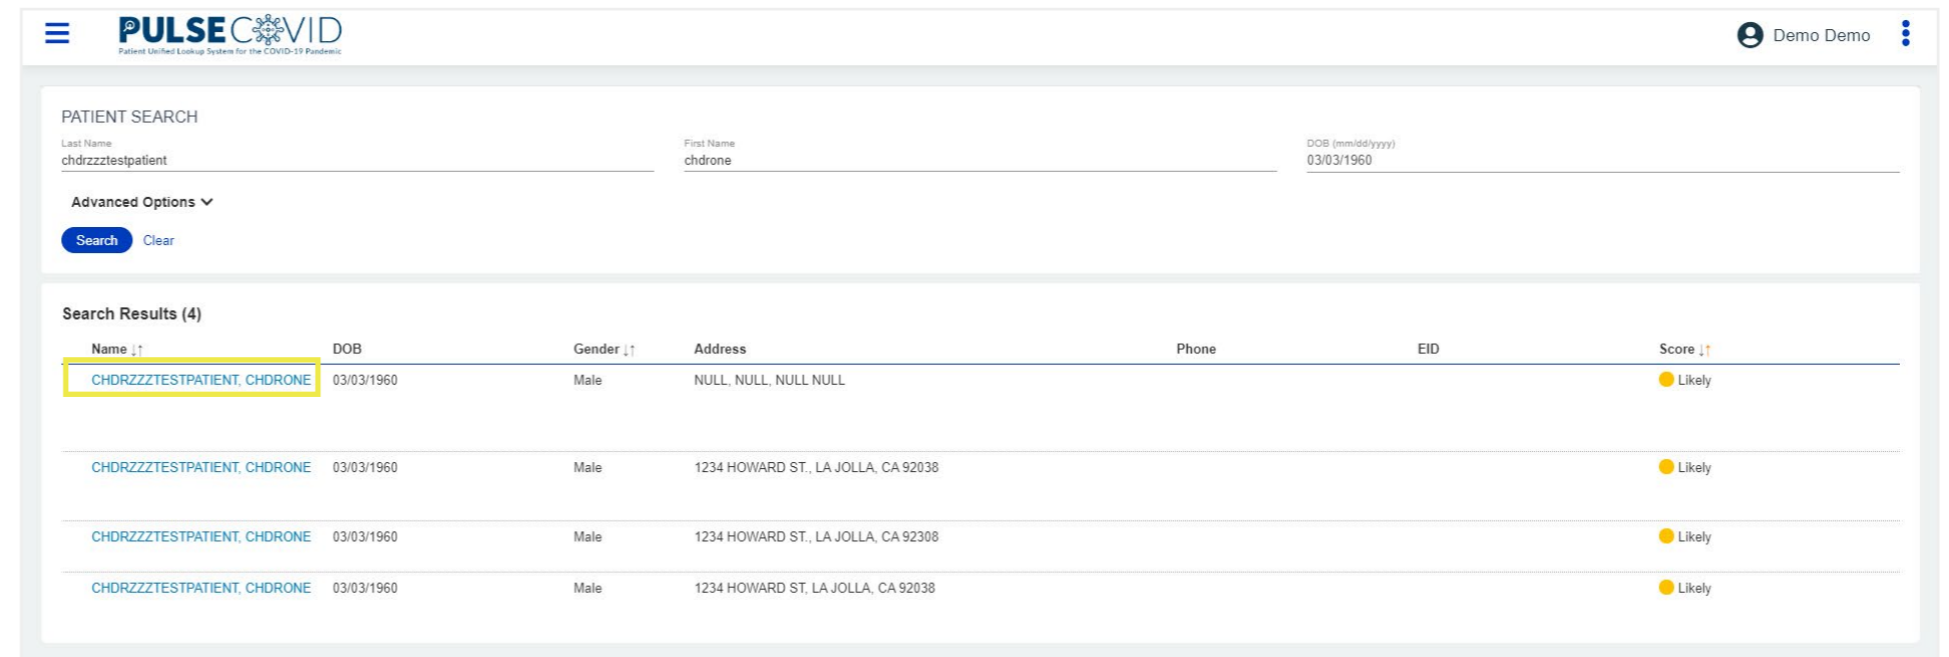

- Last Name
- First Name
- DOB (mm/dd/yyyy)
- Advanced Options ^ (expanded)
- Gender
- Middle Initial
- Address
- City
- State
- Zipcode
- Phone

At the bottom of the search area, there are "Search" and "Clear" buttons.

Patient Search Portal

Search Results by Organization

1. Search results will be displayed below the search pane. Each row of results corresponds to a different organization with patient records.
2. Click the patient's name to view the records available from the organization.

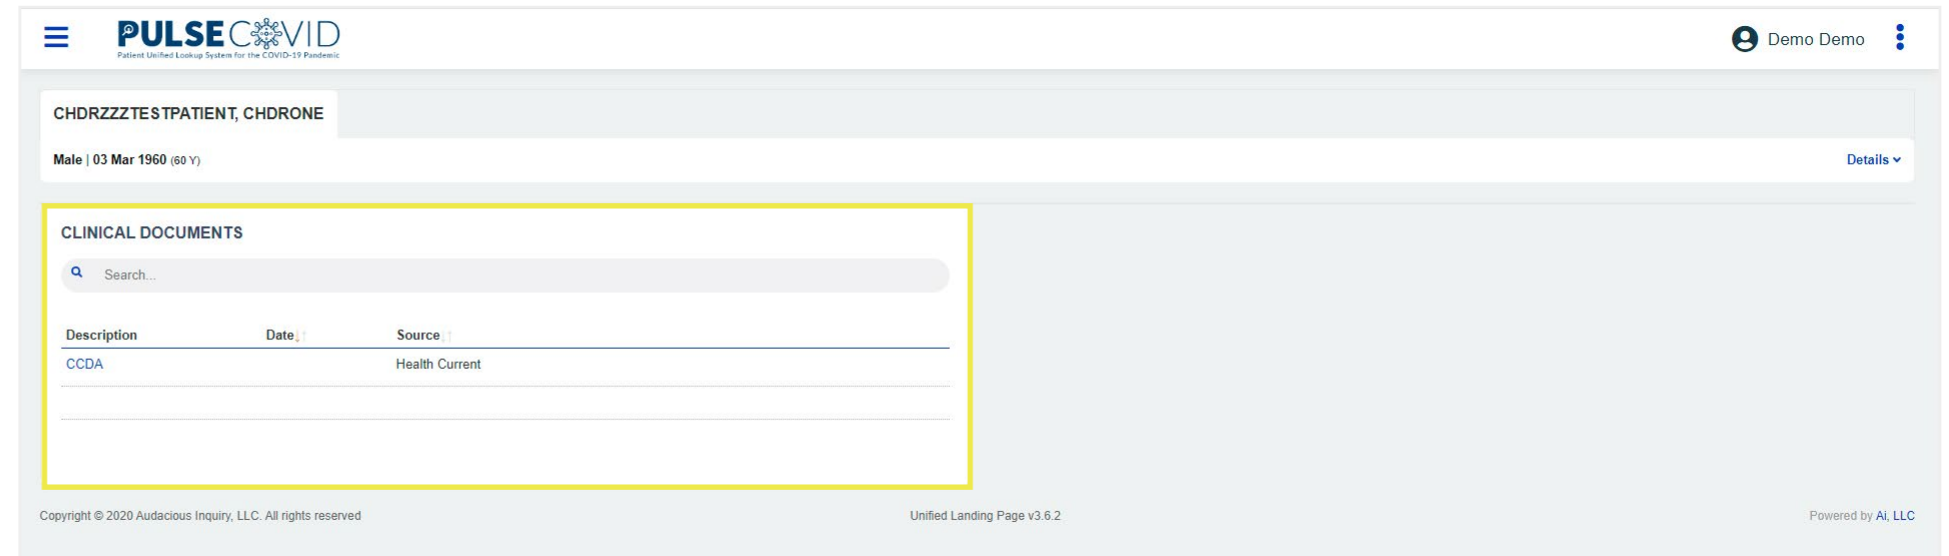

The screenshot shows the PULSE COVID Patient Search interface. At the top, there is a search pane with the following fields: Last Name (chrzztestpatient), First Name (chdrone), and DOB (mm/dd/yyyy) (03/03/1960). Below the search pane, there are "Advanced Options" and "Search" and "Clear" buttons. The search results are displayed in a table with 4 rows. The first row is highlighted with a yellow border.

Name ↑↓	DOB	Gender ↑↓	Address	Phone	EID	Score ↑↓
CHDRZZTESTPATIENT, CHDRONE	03/03/1960	Male	NULL, NULL, NULL NULL			Likely
CHDRZZTESTPATIENT, CHDRONE	03/03/1960	Male	1234 HOWARD ST., LA JOLLA, CA 92038			Likely
CHDRZZTESTPATIENT, CHDRONE	03/03/1960	Male	1234 HOWARD ST., LA JOLLA, CA 92308			Likely
CHDRZZTESTPATIENT, CHDRONE	03/03/1960	Male	1234 HOWARD ST, LA JOLLA, CA 92038			Likely

Patient Search Results by Organization

Viewing Documents within an Organization

1. Within the organization, select the document name to view the clinical document.
2. We recommend viewing two to three documents to obtain a full view of the patient's history.
3. When finished, select "Close".
4. To search for another patient, navigate to the Menu button in your upper-left hand corner and select "Home" from the drop-down.

The screenshot shows the PULSE COVID portal interface. At the top, there is a navigation bar with the PULSE COVID logo and a 'Demo Demo' user indicator. Below the navigation bar, the patient information is displayed: 'CHDRZZTESTPATIENT, CHDRONE' and 'Male | 03 Mar 1960 (60 Y)'. A 'Details' dropdown menu is visible on the right. The main content area is titled 'CLINICAL DOCUMENTS' and features a search bar. Below the search bar is a table with columns for 'Description', 'Date', and 'Source'. The table contains one entry: 'CCDA' under 'Description' and 'Health Current' under 'Source'. The footer of the page includes copyright information: 'Copyright © 2020 Audacious Inquiry, LLC. All rights reserved', 'Unified Landing Page v3.6.2', and 'Powered by Ai, LLC'.
