

PULSE User Quick Start Guide

This guide will provide a high-level overview on the use of PULSE Enterprise. For further detail, please review the **E-PLUS User Guide**. To set up your account or reset your password, please refer to the **Account Setup Quick Start Guide**.

Patient Search

The screenshot shows the PULSE navigation dashboard. At the top left is the 'Pulse' logo. Below it is a large blue button labeled 'Patient Search'. Underneath is the 'Emergency Census' section, which contains two blue buttons: 'Check-In' and 'Check-Out'.

- Login to E-PLUS using your username and password.
- Once successfully logged in, you will land on the navigation dashboard. Select **Patient Search**.

The screenshot shows the 'Alternate Care Facility' selection screen. It features a search bar with a magnifying glass icon and the text 'Search...'. Below the search bar, 'Montgomery County' is selected with a dropdown arrow. Underneath, there are two radio button options: 'Springfield Middle School' and 'Garrison Highschool'. At the bottom left is a blue 'Continue' button.

- You will be directed to select an Alternate Care Facility. Select the Facility that you are located in.
- If your Facility is not listed, please contact your Administrator.

The screenshot shows the 'Patient Search' form. It has a title 'Patient Search' and a 'Search History' link. The form contains several input fields: 'Last Name *', 'First Name *', 'M.I.', 'Date of Birth * MM/DD/YYYY', 'Gender *', 'Address', 'City', 'State', 'Zip Code', and 'Phone'. A blue 'Search' button is located at the bottom left.

- To search for a patient, enter, at minimum, the Last Name, First Name, Date of Birth, and Gender of the patient. Then, select **Search**.
- Search results may take up to one minute. You will see a blue bar that reads "Retrieving Data" while the search runs.
