TEXAS HEALTH SERVICES AUTHORITY

## Q&A Document for RFP for EDEN Business Planning

Number	Question	Answer
1	Can you please provide the total number of trading partners?	Less than five.
2	Can you please provide a listing of categories of the trading partners (e.g., primary care providers, EMS)? We are specifically interested in understanding the number of Emergency Departments, number of Primary Care facilities, number of EMS agencies, and number of health plans that should be considered part of this engagement.	Less than five trading partners. As for the number of data sources connected to EDEN, the long-term goal is to connect all entities in the State of Texas either directly or through trading partners.
3	How many trading partners are expected to be contacted for participation in the group meetings?	Less than five.
4	What is the existing EDEN platform?	This information is available at <a href="https://thsa.org/hie-texas/eden/">https://thsa.org/hie-texas/eden/</a>
5	Does the EDEN platform contain an MPI?	Yes.
6	Would the EDEN platform be considered scalable to size to handle ADTs from all Texas Emergency Departments?	Yes.
